

ICC WEEKLY UPDATE

Happy Nurses Week!

ICC is so thankful for all nurses and nursing aides for the care, hard work and fun they bring everyday to ICC!

Social Work

We continue to be so proud of how strong our residents are during these difficult times. While we know it is hard to be quarantined, we are loving all the extra time we get to spend with them and get to know them. We are here to set up any face times, meal deliveries or surprises for your loved one. - Mary Tate, LCSW

Recreation

Greetings from the Recreation Department at ICC. This week residents celebrated Cinco De Mayo, by enjoying room-service sparkling apple cider and snacks from Blue Ribbon. Residents burned off the calories from Cinco De Mayo, Ice Cream Tuesday, and KFC night Thursday, by following along with the "Body Project" work-out videos on YouTube. We are all trying to stay in shape. Thursday night was Big Game Night, where residents moved from one station to the next in a large group area and interacted with jumbo size games for play and speed competition. The games were so jumbo sized, that it was perfect for promoting social distancing, why still engaging in fun and playfulness. In addition, tele-mental health sessions have been available to all residents throughout the week. More updates to come, next week. If you would like a copy of the weekly ICC Therapeutic Recreation calendar e-mailed to you, please e-mail a request to Jasmine Edwards at jedwards@incarnationchildrenscenter.org.
