

Dear ICC Resident and Families:

From the Board and Staff at ICC, we want to wish each and every one of you a very happy holiday! We know that is a very different year than others and the inability to be together is very disappointing for many. We are committed to the care and safety of each of you, and so we wanted to remind you of what plans we have in place for a safe and Happy Thanksgiving.

VISITATION

- Sadly, at this time, no onsite visits are possible. We will keep you posted!
- However, we would be happy to help you visiting via Zoom, Face-Time or other electronic means. Staff are available to help schedule or conduct these visits - so please ask!

SAFETY PROTOCOLS

To reduce the risk of COVID-19 transmission, we have the following in place:

- Residents must wear a mask when outside of room.
- We encourage social distancing at all times.
- Frequent hand washing is required.
- Regular COVID-19 testing of both staff and residents is being conducted.

THANSGIVING CELEBRATION

On Thanksgiving, ICC residents will be treated to a home cooked feast that includes: Turkey, mashed potatoes, collard greens and other side dishes requested by the residents as well as a variety of desserts.

Thanks to everyone for their patience, understanding and for following guidelines to ensure a safe and happy holiday!
